This Uniquely engineered padded case is designed to hold a video or filmtripod with head and pan handle in place.
The TripoRigid offers you a light, comfortable yet rigid protected case. This dual concept saves you the need for two cases to protect your valuable equipment. The 6 layers of protection allows you to ship the tripod when flying (like with PVC tube), And the lightweight-ergonomic features allow you to use it as a soft case when you are in location.
The zipper extends the entire length of the case for quick and easy retrieval of legs and head.
Two straps inside tie the tripod in place.

Materials

Fabric: DuPontd 1000 denier Cordurad and specially fabricated Nycore with fluorocarbon based water-repellent finish on the outside and three layers of polyurethane coating on the inside.
